SHAWN JACKSON

Strategic Marketing Leader

(803) 528-0679 | jacksonshawnt@gmail.com | South Carolina | www.linkedin.com/in/marketer-shawn-jackson

SUMMARY

Customer-centric marketing leader with 10+ years of experience translating customer insights, market data, and business objectives into integrated marketing and growth strategies across complex B2B and B2C organizations. Proven success advising executive leaders, developing audience segmentation and go-to-market strategies, leading cross-functional teams, managing seven-figure investments, and using performance analytics to improve acquisition, engagement, adoption, and ROI. Experienced navigating complex stakeholder environments, leading transformation initiatives, and translating ambiguous business challenges into actionable marketing solutions.

EXPERIENCE

Social Media Manager

February 2024 - Present

BlueCross BlueShield of South Carolina

Columbia, SC

- Leads enterprise social and paid media strategy across six platforms, translating business objectives into audience, channel, content, and campaign strategies supporting acquisition, engagement, adoption, and retention
- Increased member engagement by 20% and reduced service-related complaints by using persona development and Voice of the Customer insights to segment audiences and tailor messaging by demographic and channel
- Advises executive leadership on marketing performance and growth opportunities, translating customer, audience, media, and creative analytics into recommendations for investment, targeting, and optimization
- Owns a $250K+ annual paid media budget, directing campaign investment and optimization across Meta and LinkedIn based on audience performance, engagement, conversion, and ROI
- Leads, coaches, and develops a four-person multidisciplinary team spanning strategy, creative, and media buying, setting priorities and overseeing campaign execution, performance optimization, and brand governance
- Partners with business unit leaders to develop targeted campaigns supporting customer acquisition, product adoption, engagement, and retention, including employer-group initiatives that increased mobile app downloads and member registrations
- Serves as a strategic communications advisor on emerging issues, brand reputation, risk, and digital crisis response, helping leadership protect organizational trust during high-sensitivity situations
- Improved team efficiency by 30% by identifying workflow gaps and implementing a centralized operating model for project intake, documentation, collaboration, and campaign execution
- Evaluates marketing use cases, workflow opportunities, governance considerations, and human-AI collaboration approaches to support enterprise adoption of AI within Corporate Communications

Marketing Communications Manager

September 2021 - February 2024

BlueCross BlueShield of South Carolina

Columbia, SC

- Translated customer, market, and product insights into positioning, value propositions, and audience strategies for SaaS-based health solutions serving large employer groups, partnering with executives and SMEs to align recommendations with enterprise objectives
- Led cross-functional go-to-market strategy for new digital products, partnering with product and sales teams to define target audiences, messaging, channel strategy, and adoption initiatives across employer and broker markets
- Led cross-functional strategy and go-to-market execution for a redesigned digital provider-search experience serving 1M+ members across 15+ lines of business, aligning customer needs, product requirements, marketing strategy, and stakeholder priorities to improve adoption and experience
- Directed integrated marketing communications across internal teams and BCBSA partners, coordinating messaging and campaign execution for local and national digital product offerings

- Optimized segmented email campaigns for broker and consultant audiences, increasing campaign volume by 34% while improving open rates by 20% through audience segmentation and messaging optimization
- Reduced marketing and sales content production time by 26% by redesigning workflows and improving cross-functional campaign development processes
- Directed customer journey, content, and UX enhancements across member web and mobile experiences, aligning digital touchpoints with customer needs, product changes, and enterprise experience standards
- Managed departmental budget, forecasting, and variance reporting, allocating marketing resources based on business priorities and digital product adoption goals
- Provided campaign and audience insights to cross-functional stakeholders, using performance, adoption, and customer data to inform marketing strategy and investment decisions
- Led RFP strategy and development for SaaS and service offerings, partnering with cross-functional stakeholders to translate customer needs and product capabilities into differentiated value propositions and competitive responses

Marketing Director (Promoted from Previous Role) November 2008 - December 2021

South Carolina Army National Guard Columbia, SC

- Owned a $1.1M statewide omnichannel marketing strategy and budget, using audience, market, and performance data to allocate investment across digital, social, programmatic, broadcast, print, and experiential channels
- Directed statewide campaign strategy and execution supporting 116 recruiters, 50 locations, and three mobile event teams, ensuring consistent audience targeting, messaging, and execution across channels
- Led a three-person marketing team spanning creative, social, and campaign operations while managing agency and vendor relationships across media buying, creative services, and event activations
- Expanded the marketing mix through SEO and programmatic advertising, improving digital lead generation, audience targeting, and conversion measurement
- Authored the annual statewide marketing strategy that secured the #3 national funding allocation and was adopted as the marketing blueprint across all 54 states and territories
- Developed and executed integrated acquisition campaigns across digital, broadcast, print, and in-person channels, coordinating messaging and creative across the statewide marketing program
- Measured campaign performance from impressions and engagement through conversions and enlistments, using results to optimize channel investment, creative performance, and ROI
- Maintained strategic relationships with media outlets and the SC Broadcaster's Association to maximize exposure and campaign value
- Advised senior leaders on marketing strategy and growth opportunities, synthesizing audience insights, performance trends, budget priorities, and business requirements into actionable recommendations
